

**“Today in the town of David a Savior has been born to you; he is the Messiah, the Lord.” Luke 2:11**

Jesus coming into the world as a baby is what Christmas is all about. It is such a special time to stop and reflect on the significance of his birth and how that impacts everything in our lives both now and for eternity.

During this special time ACA is offering beautiful ornaments that represent the Savior’s birth. Parents and Grandparents are invited to purchase ornaments for their children and grandchildren.

The proceeds from the ornaments go to help fund joint programs that benefit both the academy and the preschool.

These programs are:

**Security - A Mint Hill Police Officer is on campus the entire time students are present on campus.**

**Custodial Supplies and Cleaning cost - It is important to maintain a clean and healthy environment for everyone.**

**Playground - The playground is shared by the academy and preschool students. Periodic maintenance is needed as well as mulch for ground covering.**

**Copy Toner and Copy paper - These are expensive items but are necessary for a school and preschool to function.**

# PRICE LISTING OF ORNAMENTS
